INFORMATION DISCLOSURE STATEMENT

Enclosed is Form PTO-1449 identifying three (3) references.
Also enclosed are copies of the three identified references.

The present application is the United States National Phase
of International Patent Appl. PCT/SE04/001063. The three (3)
identified references were cited in the International Search
Report issued in connection with the corresponding PCT
application.

Applicant notes that each of the three references identified
in the International Search Report was cited in Category A,
indicating that the reference defines the general state of the
art but is not considered to be of particular relevance to the

IAP15 Rec'd PCT/PTO 06 JAN 2006

PCT claims. The claims of the present United States National Phase correspond to the PCT claims.

Applicant respectfully requests that the three identified references be formally cited of record in connection with the United States National Phase as generally illustrating the background state of the art.

Respectfully submitted,
